KORNU SAI GOVINDA RAO

kornusaigovinda@gmail.com | +91 8074025622 | DOB – 06 Aug, 2001

SKILLS

PROGRAMING

Languages

- Advance: Python
- Intermediate: Core Java, MySQL
- Novice: HTML, CSS

Technologies

- KIVYMD (Android Development)
- MS-Office
- EDA & Statistics

OTHERS

- Content Creation
- Exploring new technologies
- Strong Problem-Solving Skills
- Quick Learning
- Good Communication Skills

EDUCATION

MCA (Master of Computer Application)
Dr. Lankapalli Bullayya College
2022-2024 | **Visakhapatnam**
CGPA - 8.4

Bachelors of Science in Mathematics
Sagar Degree College
2018-2021 | **Amadalavalasa**
CGPA – 7.5

Intermediate, MPC
Sri Venkata Sai Jr College
2016-2018 | **Sarubujjili**
Percentage: 85.4%

SSC
Z. P. High School
2015-2016 | **Kakithapalli**
CGPA – 7.7

LANGUAGES KNOWN

- Telugu
- English

OBJECTIVE

Seeking a position in a dynamic and challenging environment where I can leverage my technical skills to contribute to the organization's growth while advancing my career.

PROJECT(S)

Mind-Craft: Building Minds Through Fun Application
Python | My SQL

- Creating an interactive Python application titled "Mind-Craft" for MCA final semester project.
- Developing Modules Such as Calculator, English Stories, Map View, Dictionary, Hangman Game, And Kids' Games.

Fish Disease Detection Using Image Based Machine Learning Technique in Aquaculture

- Developed an Image Processing and Machine Learning Framework: Created a system combining image preprocessing and feature extraction to identify diseases in salmon aquaculture using the Support Vector Machine (SVM) algorithm.
- Achieved High Accuracy in Disease Detection: Conducted experiments on a novel dataset, achieving disease classification accuracy of 91.42% and 94.12% with and without image augmentation, respectively.

ACHIEVEMENTS

- Participation Sports in District level.
- NSS Volunteer
- I Have solved 500+ DSA Challenges on LeetCode

CERTIFICATIONS

Python Basics	:	By Hacker Rank
NumPy	:	By Great Learning
SQL Basics	:	By Great Learning
MS-Office	:	By Samavedha It Solutions

HOBBIES

- Solving Puzzles (Sudoku, Cubes)
- Solving Coding Challenges
- Playing Cricket
- Learning New Technologies
